Thank you, Flower Guild, for your beautiful work!

**The first person in each team* should contact the other members to make plans for arranging and take down.

Each team member is responsible to exchange with another guild member if unable to arrange on your stated date. If you can't be here for take down, please get a replacement! We need at least two people for take down on Sunday.

Please remember to check the plants in the narthex, Parish House, hallway, small dining room, and room next to the sacristy for watering.

When watering the potted plants, be sure the plants aren't sitting in water. Pour out excess water after a few minutes of soaking so the water doesn't sour under the plants.

Please call Fay at St. John's (262-1937) if you are unable to find a substitute. I will send out an email to the guild for you if necessary. I'm here Monday through Friday 9:00 to 4:00.

When you arrive at the church on Saturday morning, enter the building using the door code: 2323* (remember to push then pull the door.) If it won't open, call Robert on his cell, 312-0347.

Substitutes: Shirley Downey 269-3344
Jeanne Drummond 834-2482

Please check the plants!
